The New Roman Missal

In 2011, throughout the English – speaking world, a new translation of the Mass is being introduced which is more accurate and faithful to the original Latin text.

The new translation increases the dignity of the language used in the Mass and brings out more of the Scriptural resonances of the text.

“I pray that the change will serve as a springboard for a renewal and a deepening of Eucharistic devotion all over the English – speaking world”

Pope Benedict XVI
