PARISH BULLETIN

Sixth Sunday of Easter
29 May 2011

Happiness is something we all want, and one of the great tragedies in this world is that so many people never find it, because they look for it in the wrong places. The key to it is very simple – true happiness is to be found in God.....only He can satisfy the deepest needs of our hearts.

The New Roman Missal The New Translation - what New Translation?

Did you know that the translation of the Mass which we currently use is going to change? The texts we have now have been in use since 1970 and in September we will gradually begin to use a new translation. Over the coming weeks/months there will be short articles in this newsletter which will help us to understand what these changes are and why they have come about. There will also be plenty of opportunities provided to learn more about it and become familiar with the changes. This will be a great opportunity for us all to learn more about the Mass and deepen our understanding of the liturgy and its meaning and relevance for us in our lives.
