## The Roman Missal The New Translation – when and how will it be introduced?

Although we have already received the official approval from Rome, it will still be some time before the new translation is being used in our parishes. In Scotland it is planned we will be able to celebrate various parts of the new translation from September onwards. This gives us plenty of time, over the next few months, to learn something about the changes, about how they will affect us and our liturgy and why the changes have been made. There will be a lot of resources available to help us to do this, both locally and nationally. Please pray that we will all make the most of this opportunity to learn more about the Mass and to deepen our relationship with Christ.

We pray for the Happy Repose of the Soul of Brian who was buried on Thursday. Our oldest retired miner and a wonderful man, who was loved and respected by all in the Parish and Village. May He Rest in Peace.

Pope Benedict's recent Communications Sunday message urged Catholics to embrace the digital age and the realm of social networking while being ever aware of its risks. He wrote: “I would like to invite Christians, confidently and with an informed and responsible creativity, to join the network of relationships which the digital era has made possible. This is not simply to satisfy the desire to be present, but because this network is an integral part of human life.” Sign up to the parish web site and facebook page.
